---

### Board

---

### Discussions

---

Representatives from Lacrosse -- Requesting to be on school meeting for FY2021. Varsity for middle school and high school. One more year of club Lacrosse and looking at funding by school. Still a recreation lacrosse program with over 140 players. Run as a feeder program for elementary level recreation.

Increase Boys one and two this year with 18 town leagues and in the final four.

Asking for Water Lane fields near North School for regulation field and take two football fields on the woodside over. 110 yds x 60 yds – girls/ 110yds x 53yds – boys.

Pleasant street is out due to wetlands.

Water Lane solution is still a good solution if BOS and School MOA can be finalized.

Slopes and size (Hurley) only town to have this problem.

Recommend High School league go through school committee to ask for football field use.

---

### Budget

---

\$ End of year spending exhausted revolving account.

\$ 42,964 in “savings” depleted by \$5k.

O&M funds are separate appropriations by Fiscal year.

Out of 150 participants in Rec art program only 2 used scholarships for the 2-week program. There are 6 available. \$175/ person program.

---
